Tikva Receives Transformational Gift

We are thrilled to share that the Ronald S. Roadburg Foundation has provided a grant of \$255,000 to Tikva Housing Society to support our mission to offer affordable housing solutions to our Jewish community.

"A gift of this magnitude provides help and hope at a time when economic uncertainty is definitely impacting housing insecurity," says Anat Gogo, Executive Director of Tikva Housing Society. "The Ronald S. Roadburg Foundation's tremendous generosity means that we will have the financial

resources to build capacity on an operational level. Tikva is on an unprecedented growth trajectory and this gift is critical to support our growing housing portfolio, allowing us to say ‘yes’ to a number of new opportunities on the horizon.”

The need for affordable housing continues to be first and foremost on the minds of many in our Jewish community. This benevolent gift will be put to work, empowering individuals and families by providing affordable housing – allowing them to build long-term change in their lives and beyond.

We want to express our heartfelt gratitude to the Ronald S. Roadburg Foundation for its partnership in addressing the issue of housing insecurity. We appreciate the Foundation’s focus on strengthening the capacity of our community’s organizations and its deep commitment to Tikkun Olam – repairing the world.
